

Nick Osborn

Student at California Baptist University

CAREER OBJECTIVE

I am a current computer science student looking for a summer internship where I can learn and grow as a programmer. I have studied a wide variety of topics and programming languages within the field and am looking to further my knowledge with hands-on experience.

EDUCATION

California Baptist University

Sep 2021 - Present

Cumulative GPA: 3.9

Computer Science Major with Software Engineering Minor

Relevant Coursework: Java Programming, Discrete Structures, OS and Networking, Data Structures, HCI, Database Systems, Software Requirements, Testing, and Analysis

SKILLS

Java, Python, SQL, Dart (Flutter), HTML, CSS, JavaScript, Linux, Jira, Microsoft ADO, Figma, Agile/Scrum Experience

PROJECTS

NotesGPT

I am currently developing an app in a six person team that transcribes audio to text and summarizes the information into concise lists of bullet points, designed to be used in classroom lectures, professional meetings, and day-to-day conversation. We use agile development methodology.

WORK EXPERIENCE

California Baptist University Notetaker

Oct 2022–Present

I take notes on behalf of students with disabilities. I summarized lectures and lessons in standard note format on word documents.

Pirate Coast Paddle Employee

May 2022 – Sep 2022

I rented various equipment to customers. I also helped run multiple camps for kids of ages 8-12, cultivating a safe place for recreational activity. I also taught private lessons and led guided tours.

California Baptist University Water Polo Team Manager

Sep 2021–Dec 2021

I assisted the team in many ways including technical development, admin, and equipment management! I stuck to a timely schedule and provided excellent assistance when needed. I also analyzed data and statistics to improve the competitiveness of the organization!

Sue's Creating Cottage Shipping Assistant

Sep 2020–Jul 2021

I processed orders and facilitated the production, packaging, and shipment of fabric and related supplies.

VOLUNTEER EXPERIENCE

Fullerton Free Church Kids Ministry

I spent 3 years volunteering with elementary aged children each Sunday.

Fullerton Free Vacation Bible School

I have volunteered at the 5 day camp at my local church almost every summer since 2015.

Fullerton Free Rainbow Express

I have volunteered at a five day special needs day camp three times at my local church.

San Francisco Missions Trip

I spent a week volunteering at various organizations that assist and help the homeless population in San Francisco.

Provo, Utah Mission Trip

I spent ten days serving a church in Utah, primarily through organizing and running a 4 day camp for local 1st-5th graders.

Fullerton Free Middle School Ministry

I have volunteered at my local church's middle school ministry since June of 2022, primarily attending Sunday and Wednesday nights, as well as various events and trips.
